

## Live Mail – Email guide setup

If any of any of the following is unclear or does not work, please call our technical support team on 01608 434 000.

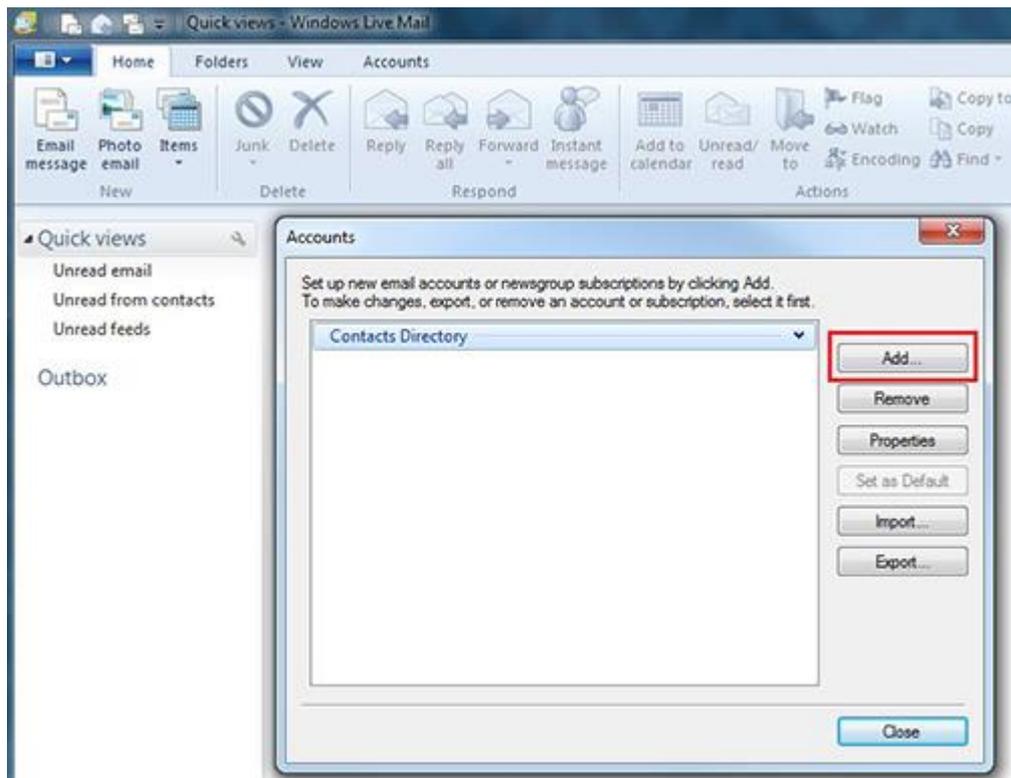

1. Open Live Mail and click the blue Menu button.

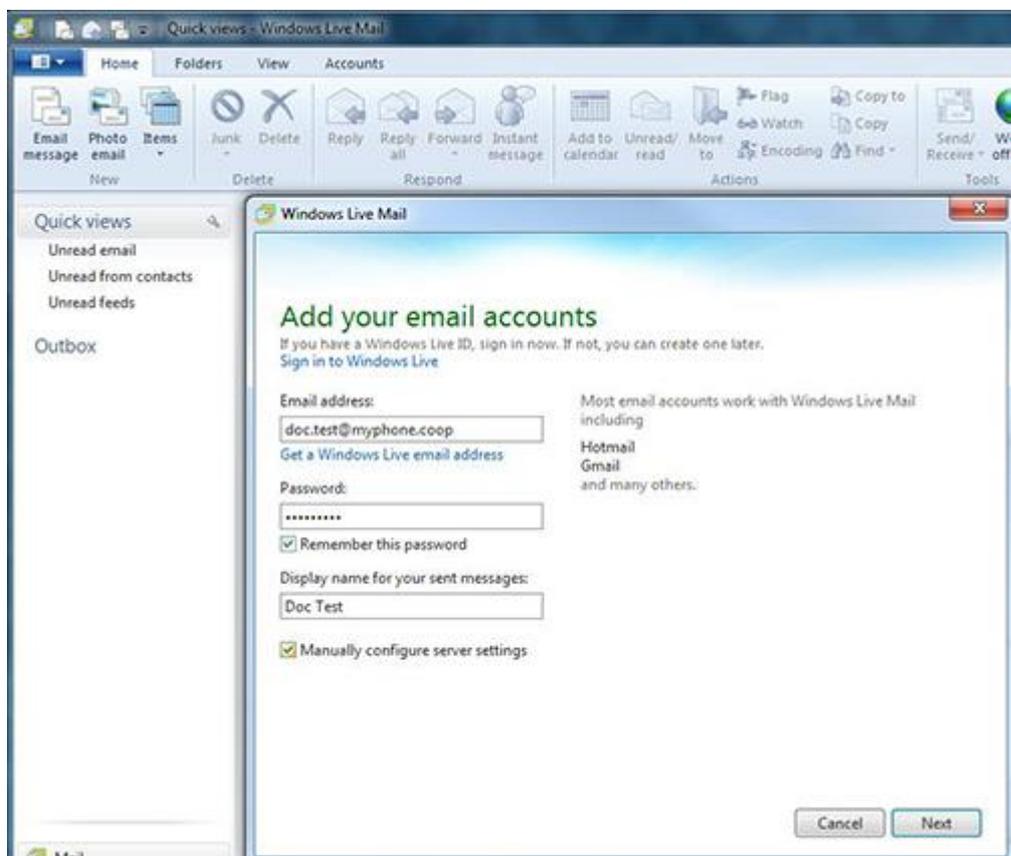

2. Select "Email Accounts" from the "Options" section.

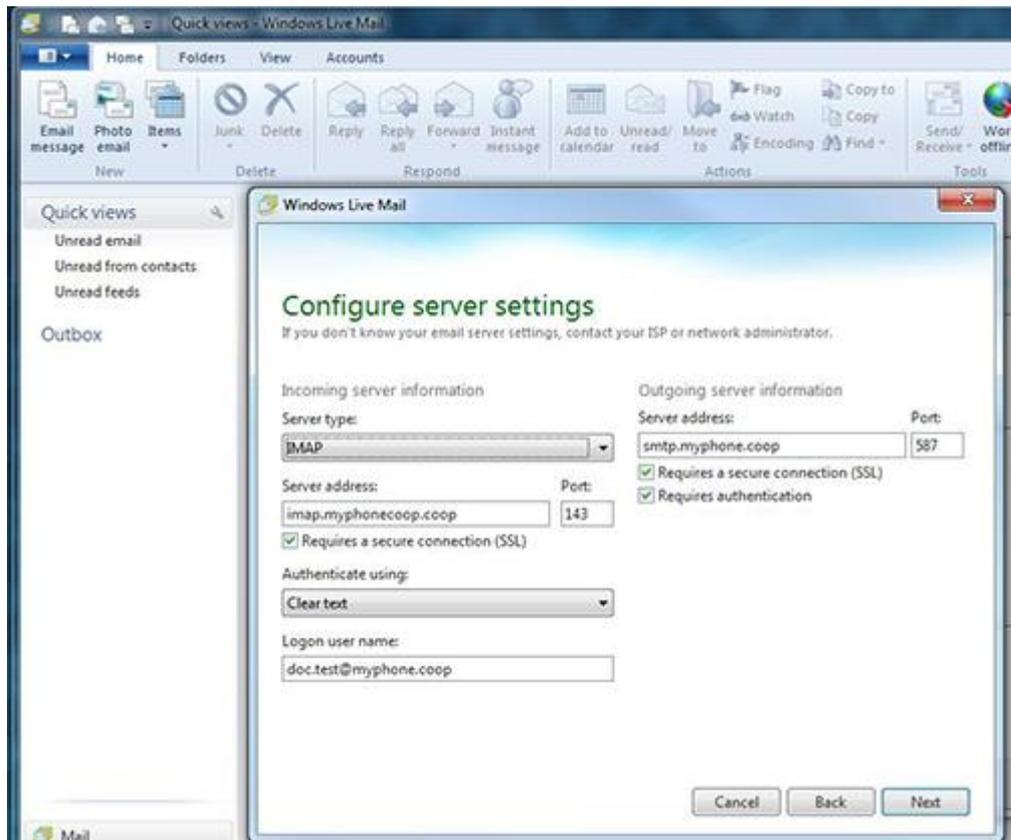

3. Click the "Add" button and choose "Email Account". Click next.

4. Enter your name, email address, password, Select manual setup and then click the continue button.

5. Select either IMAP or POP3. Fill in the below information then click Next.

5.1 The information for the boxes above are as follows:

#### Incoming

- **Server:** imap.iomartcloud.com or pop.iomartcloud.com
- **Port:** 143 for imap or 110 for pop
- **Tick requires a secure connection**
- **Logon user name:** Your entire email address

#### Outgoing

- **Server:** smtp.iomartcloud.com
- **port:** 587
- **Tick requires a secure connection**
- **Tick requires authentication.**

6. Your email account is now set up. Click Finished.
